REPORT ON LANGUAGE AND COMMUNICATIONS SKILL

Naba Ballygunge Mahavidyalaya has conducted two courses on language and communications Skill-

1. Basic Hindi Language Learning course
2. Basic French Language Learning Course

Report on Basic Hindi Language Learning Course

Duration: 13-07-2019 TO 01-08-2019

The purpose of this report is to provide an overview and evaluation of the Hindi language learning course conducted by the college.

The course aimed to equip students with the necessary language skills and cultural understanding to effectively communicate in Hindi speaking environments.

Course Objective

The primary objectives of the course were to:

- Develop basic communication skills in Hindi, including speaking, listening, reading, and writing.
- Introduce students to key aspects of Indian culture and customs related to language usage.
- Facilitate practical application of language skills through interactive sessions and real-life scenarios.

Course Content

The course curriculum encompassed various aspects of the Hindi language and culture:

- **Basic grammar and vocabulary:** students were introduced to essential grammar rules, sentence structure, and commonly used vocabulary.
- **Conversational practice:** Role plays, group discussions, and conversational exercises were conducted to enhance participants' speaking and listening abilities.
- **Writing skills:** students learned how to write simple sentences in Hindi script (Devanagari) as well as practice letter writing and composition.

Cultural insights: Sessions on Indian traditions, etiquette, gestures, festivals, and social norms provided a deeper understanding of the cultural context in which the language is used.

Teaching Methodology

The training employed a combination of methods to cater to diverse learning styles:

- **Interactive sessions:** The use of multimedia resources such as audio recordings, videos, games, and role plays made learning engaging for participants.
- **Practical exercises:** Real-life scenarios were simulated for participants to apply their newly acquired language skills in situational contexts.

Evaluation Process

Students' progress was assessed through regular quizzes, oral assessments (conversations), written assignments (compositions), as well as an end-of-course examination covering all aspects taught during the training period.

Feedback from students

Informal and random feedback from students taken orally during the classes highlighted several positive aspects:

- **Engagement:** Interactive sessions kept them motivated throughout the course.
- **Relevance:** The inclusion of cultural insights enhanced their overall appreciation for learning Hindi beyond just linguistic competence.

The Hindi language learning course proved effective in equipping students with foundational language skills while providing valuable cultural insights.

Overall Assessment - Highly recommended for individuals seeking an introduction or refresher in basic Hindi communication skills along with cultural awareness.

This concludes the report on the course.

Report on Basic French Language Learning Course

Duration: 01-01-2019 TO 16-01-2019

The purpose of this report is to evaluate the effectiveness of the French language learning course offered to college students. The course aims to provide students with a basic understanding of the French language and culture, as well as develop their speaking, listening, reading, and writing skills.

Course Structure:

The French language learning course is structured into different levels, catering to students with varying degrees of proficiency in the language. The curriculum covers topics such as grammar, vocabulary, pronunciation, and cultural aspects of France. The course also includes interactive activities such as group discussions, role-plays, and audio-visual exercises to enhance learning.

Teaching Methodology:

The course employs a communicative approach to teaching French whereby students are encouraged to actively participate in speaking and listening activities. This method has proven effective in improving students' confidence in using the language in real-life situations. Additionally, the use of multimedia resources such as videos and online exercises enhances the learning experience for students.

Assessment:

Assessment methods used include regular quizzes, exams, oral presentations, and written assignments. These assessments allow instructors to gauge students' progress and provide constructive feedback for improvement.

Verbal feedback from student participants has been largely positive. Many have expressed satisfaction with the interactive nature of the course which makes learning more engaging and enjoyable. They also appreciate how practical topics are included in lessons that help them apply their knowledge outside the classroom.

Challenges:

One challenge faced by both instructors and students is finding opportunities for immersive experiences outside the classroom where they can practice speaking French with native speakers or other learners.

This concludes the report on the course.
