No. 3222-MDC/MGA

Date: 30.10.2018

To
The District Magistrate
All

Sub - Verification of online applications at Institute/ District level.

Sr.

In continuation of my earlier letter No. 3095-MDC/MGA, dated 10.10.2018, I would like to bring to your kind notice that the last date for verification of online applications for all the three minority scholarships under National Scholarship Portal (Pre-Matric, Post-Matric & Merit-cum-Means) will expire on 15.11.2018. We are happy that with your active and continuous support/ effective monitoring, we have been able to achieve almost 100% of our State target of filing online applications. But unfortunately we are still way behind the target of completion of verification of those applications. From the available record it may be seen that in some districts, as on date not even 50% of verification work has been completed.

You will appreciate that failure to complete the verification work of those filed applications may lead to serious embarrassment to one and all and the hard work put forward by the whole team of your district in achieving the target will go waste.

Under these circumstances and in view of the time constraint, I would once again like to request your personal intervention in the whole process so that not a single filed application is left out without verification.

Thanking you

Yours faithfully
