Objective of the Program: The primary objectives of the World Environment Day celebration were:

1. To plant trees.
2. To make the students aware about the causes and effects of destroying our environment.
3. To create awareness among the students to develop ways to improve and protect our environment.

Outcome of the Program: The programme achieved several positive outcomes, including:

1. The students planted saplings in and around the college campus.
2. The students came to know about the cause and effects of destroying our environment.
3. The students came to know about various ways to protect our environment.

Conclusion: The programme was a successful event, the students were educated enough about our environment and its relevance in details. The college looks forward to organizing more such events.
