Actions taken report by IQAC based on resolutions adopted in the meeting dated 14.04.2021

Key Initiatives	Outcomes
Evaluation System	For the end-semester CU examinations held online, with the questions uploaded in CU website and college website, the students downloaded the question papers, answered the questions within the given time, scanned the answersheet, converted it into a single pdf and mailed to departmental mail. Offline submission was also an option. Maintaining the covid protocol, the students submitted the answer copies to a departmental faculty, appointed by the college. The duty roster was made by the college administration
