The following actions have been taken by IQAC based on the resolutions of the meeting dated 13.12.2022

Key initiatives	Outcomes
Mentor mentee system	From 2022-2023 session, students of B.A. and B. Com 1 st semester were divided into groups of 35-40 and each group was assigned with one mentor, who would pay attention to the students' problems within and beyond academic realm, individually. The mentor-mentee ratio was approximately 40:1
Development with RUSA 2 Fund	Mobilization of resources being a significant part of the development of institution, a portion from RUSA 2 Fund was allocated for purchase of laptops for the faculty members, which would, in turn, enhance the development of the teaching-learning process and strengthen the system of ICT based teaching.
Students' seminar	IQAC emphasized on organization of students' seminars on a regular basis, encouraging the students to develop their research acumen and critical thinking. Department of History and Department of Philosophy have organized students' seminars thereafter and the participation/presentation of the students in the same has been commendable.
