## To Whom It May Concern

It gives me immense pleasure for being given the opportunity to organize an environmental awareness programme at Naba Ballygunge Mahavidyalaya, Dr Rajarshi Mitra, Associate Professor and Head, Department of Environmental Science, Vivekananda College, Thakurpukur acted as the speaker on 16<sup>th</sup> May'23. His talk on "Water Conservation and Rainwater Harvesting" gave a thorough overview of the needs to conserve water and the processes in which rainwater can be stored for future uses. Students of Naba Ballygunge Mahavidyalaya were helped with Dr Mitra's lecture on their Environmental Studies curriculum and the staff of the college were informed with the methods in which they can engender rainwater harvesting at their institute. This lecture was a part of the exchange programs of awareness that are going to be mutually/collaboratively organized by Garia Welfare Society and Naba Ballygunge Mahavidyalaya because of the Memorandum of Understanding signed between the two institutions on 11<sup>th</sup> May 2023.
