Background of:

(NYCTISD) to propose a partnership aimed at providing practical training for underserved youth.

NYCTISD focuses on enhancing livelihoods through digital education, supporting the economic growth of marginalized families.

NYCTISD empowers job seekers from disadvantaged backgrounds with skills for the 21st-century digital landscape through continuous training and mentorship.

Our beneficiaries include youth and women from high-need communities, such as minorities, tribal groups, persons with disabilities, and victims of trafficking in rural India. Our curriculum leverages the latest educational technologies to deliver tailored, immersive professional development aligned with employer needs.
