Minister-in-Charge - Non-Conventional and Renewable Energy Sources
The Government of West Bengal

Dated: June 21, 2024

Subject: Request for installation of solar panels at the Institute

Respected Sir,

This is to bring to your kind notice that Naba Ballygunge Mahavidyalaya is willing to move ahead with the installation of solar panels (without battery) at its campus at 27 E, Bose Pukur Road, Kasba, Kolkata 700042 (adjacent to New Kasba Police Station and on Rash Behari Connector). The college is government-aided, UG and PG, and having almost 1500 students. The campus covers a plot area of 0.219 acres and includes a 5 storeyed building. Total built-up area is 0.206 acres. The college runs classes in evening and hence requires lights in classrooms and passageways. The CESC bill (customer ID 04000067660) shows consumption of 6.0 kVA as load as per Bill no. 04025001005/05248 dt. 11.06.2024 for the month of May, 2024

The aforementioned initiative is recommended by Janab Javed Ahmed Khan, Minister, Disaster Management, Government of West Bengal & President, Governing Body, Naba Ballygunge Mahavidyalaya.

The same has also been recently communicated to you by Shri Sobhandeb Chattopadhyay, Minister-in-Charge, Department of Agriculture and Department of Parliamentary Affairs, Government of West Bengal.

The initiative is crucial and urgent in order to address the environmental concerns and also from the point of view of our accreditation. We would be highly obliged if the needful is done by your esteemed department at the earliest.

Regards,

 21.06.2024

Dr. Ayantika Ghosh
